

Archaeological Institute of America

Orange County Society

2017-2018 Lecture and Event Schedule

We are one of 111 AIA local societies that provide a vehicle for people interested in archaeology to meet one another, to hear from scholars about their current research, to learn about recent archaeological discoveries and to take trips to museums, archaeological sites and other archaeology-related events.

For additional information on our chapter, the lectures, and links to maps, please visit: aia-oc.org

Lectures are free to members and students and we request a \$5 donation from non-members. Refreshments are provided.

To find out more about becoming a member of the Archaeological Institute of America please visit www.archaeological.org

Members receive a subscription to Archaeology magazine.
